SUPPLEMENTAL ALLOWANCE

Allowable Subject Matter

1. Claims 1-88 are allowed.

Reason for allowance

2. This communication warrants no examiner's reason for allowance, as applicant's reply makes evident the reason for allowance, satisfying the record as whole as required by rule 37 CFR 1.104(e). In this case, the substance of applicant's remarks filed on 11/14/2007 with respect to the claim limitation point out the reason claims are patentable over the prior art of record. Thus, the reason for allowance is in all probability evident from the record and no statement for examiner's reason for allowance is necessary (see MPEP 13202.14).

Conclusion

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Khan Dinh whose telephone number is (571) 272-3936. The examiner can normally be reached on Monday through Friday from 8:00 A.m. to 5:00 P.m.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Follansbee John, can be reached on (571) 272-3964. The fax phone number for this group is (571) 273-8300.
